

# Wasting water

Can you find all the things that Sam and his family could do differently to become water guardians?

## FIND FLO

Flo never stays in one place for long. Can you find 8 Flo's hiding in this picture?

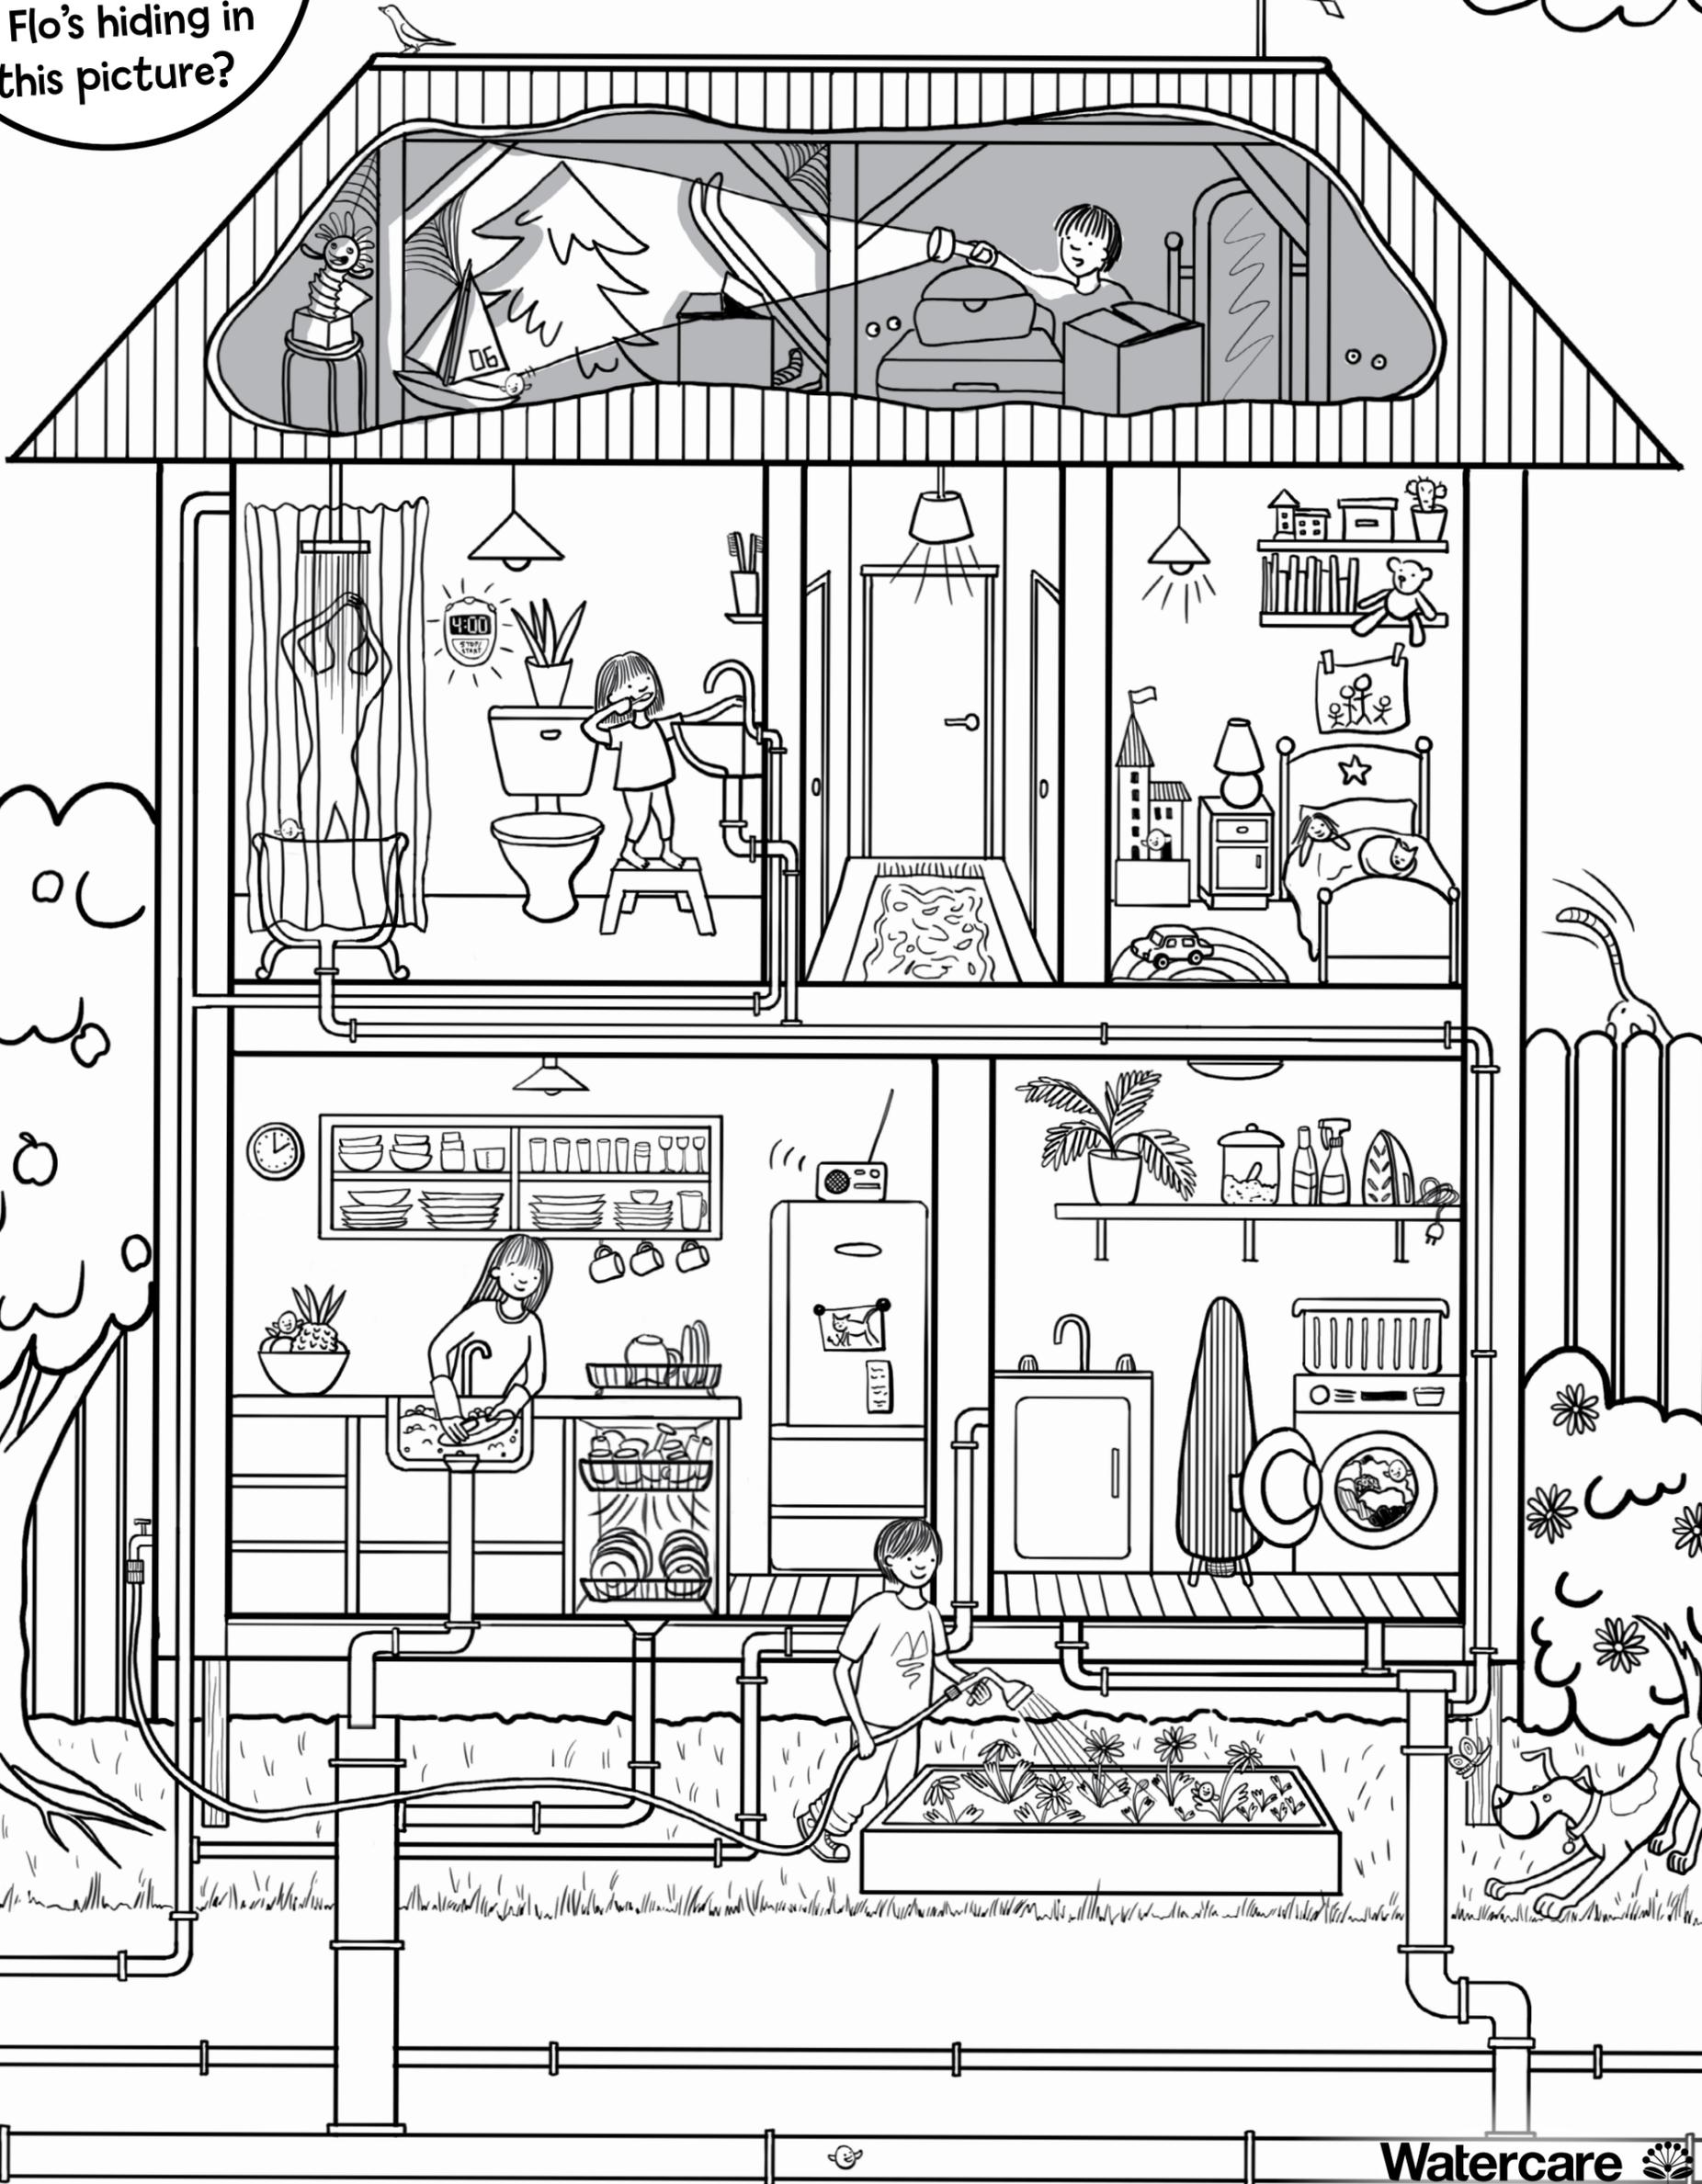

# Conserving water

Can you find all the things that Sam and his family are doing as water guardians?

## FIND FLO

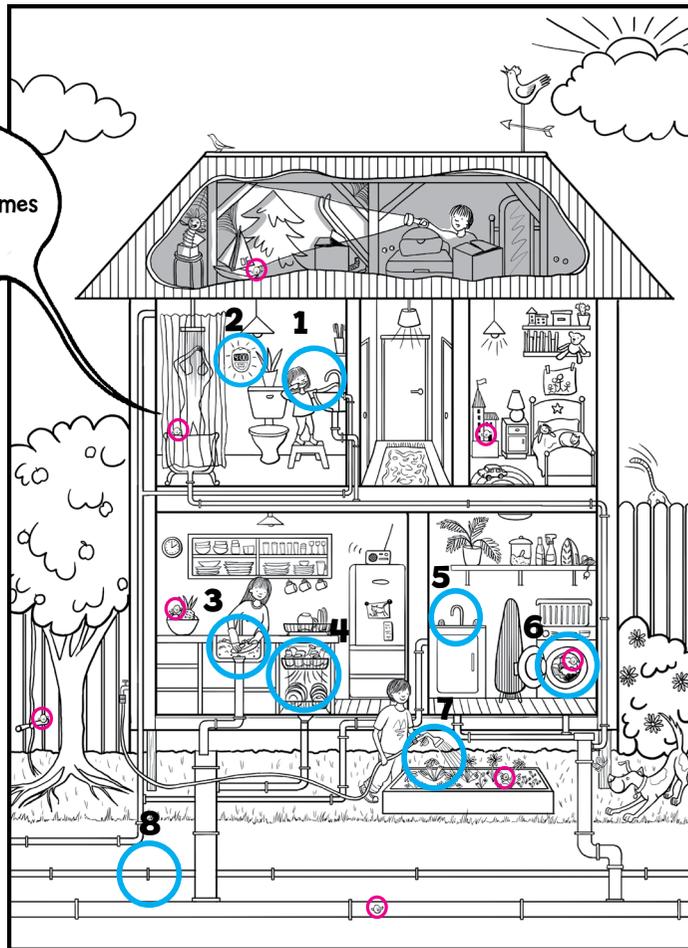

Flo never stays in one place for long. Can you find 8 Flo's hiding in this picture?

# Were you able to find the watery differences between the two houses? Check your answers here!

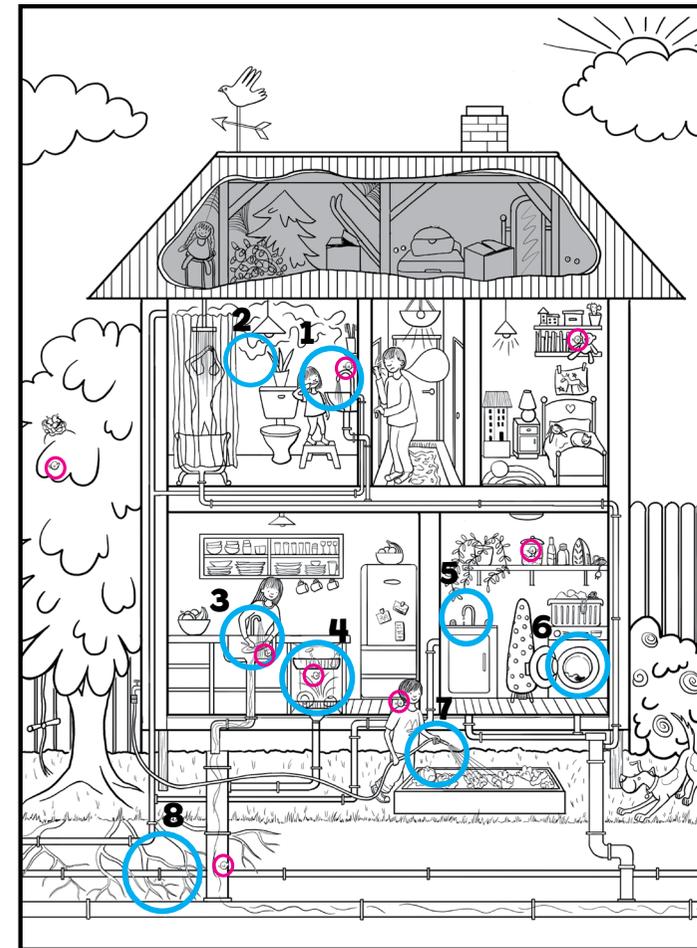

## Conserving water

Did you find me too?  
See how many times I am circled in pink!

1. The bathroom tap is turned off.
2. The shower is being timed.
3. Mum has put a plug in the sink to wash dishes.
4. The dishwasher is full and has been turned on.
5. The laundry tap is not dripping.
6. The washing machine is full of laundry.
7. Sam is watering the garden with a hand held trigger nozzle.
8. The water pipe is not leaking.

## Wasting water

1. The bathroom tap has been left running.
2. The shower is not timed and water has been running for a long time.
