Declaration

I declare that:

1. I have due authority from my company to provide this compliance statement.
2. The statement and documents are for the exclusive purposes of Watercare and the company does not accept any liability where relied upon by any third party.
3. The information in this statement is true and correct to the best of my knowledge.
4. The design has been reviewed in accordance with Watercare engineering standards and codes of practice.
5. I understand that Watercare will rely on this statement to review compliance of the original designer and that this review is limited to an opinion formed based on the supplied material only, whatever the accuracy, adequacy or correctness of the supplied information may be. No responsibility or liability is assumed by me or the organisation that I represent for the accuracy, adequacy or correctness of the supplied material.
6. The reviewed work covered by this statement is described in full in the design reports, specifications, the drawings and other documents attached to this statement. Watercare may use this information at its discretion for the purpose to accept, reject or have amendments made to the original.
7. I understand that information provided by me on this form includes personal information covered by the Privacy Act 2020.
8. I authorise Watercare to collect, retain and use that personal information for the purpose of assessing my suitability as an author of compliance statements. I also authorise Watercare to collect, retain and use (for that same purpose) personal information about me from other sources available to Watercare including, but not limited to, the professional or trade organisations, referees and any other persons or companies with whom I am or have been associated. I understand that Watercare will handle such personal information in accordance with its Privacy Statement located at: www.watercare.co.nz/home/about-us/our-organisation/privacy-statement
