Where a customer already has a wastewater connection and will not increase demand on the wastewater network, or where a wastewater connection is unavailable, an application for a water connection will be charged a water-only infrastructure growth charge.

No further connections are available in **Bombay, Kingseat, Muriwai, Waiheke⁴ and Waiwera.**

¹The Metropolitan network area covers customers supplied by Watercare's contiguous water supply system and/or serviced by any of Watercare's wastewater treatment plants at Mangere, Rosedale, Army Bay or Pukekohe. It includes the Hibiscus Coast, Kumeu, Huapai, Riverhead, Paerata, Pukekohe and Bucklands.

²The Southwest sub-regional IGC replaces the Clarks Beach and Franklin IGCs from 1 October 2018. The Clarks Beach and Franklin IGCs apply for new applications for connections to our networks in these areas (where a Metropolitan IGC doesn't apply) where the IGC is paid before 1 October 2018 and where, at the time of application, there is an approved building consent for the property or an existing private onsite water or wastewater system.

³The Northeast sub-regional IGC replaces the Snells Beach IGC from 1 July 2018 and the Warkworth IGC from 1 October 2018. The Warkworth IGC applies to new applications for connections to our Warkworth networks where the IGC is paid before 1 October 2018 and where, at the time of application, there is an approved building consent for the property or an existing private onsite water or wastewater system.

⁴The Owhanake (Waiheke) IGC is payable in the case of existing non-domestic connections, where that connection first becomes liable for the IGC (for example, where demand increases) under Watercare's Infrastructure Growth Charge terms and conditions included in our Customer Contract. New connections will become available after construction of staged upgrades to the wastewater treatment plant are completed.

****** For more information please visit www.watercare.co.nz and search for 'Infrastructure Growth Charges'. The IGC terms and conditions are on page 11 of our Customer Contract, which can be found by visiting www.watercare.co.nz and searching for 'Customer Contract'.
